

Ceramic Rope Garden Stool

Forgotten Shanghai's hand glazed ceramic garden stool collection can be used indoors or out, as seating or an accent table. Each one is made by an artisan using traditional craftsmanship of the 18th century. Firing in a wood-burning kiln with natural mineral glazes yields a richly glazed surface – and an individual piece of art.

Small CK1006 14”d x 20” h \$525

Large CK1005 16 ¾ ”d x 20”h \$785
